Neighbourhood Plan - Launch event feedback (requiring consideration separate to the Neighbourhood Plan)

No	Comment	Proposed approach	PC Lead	Additional Comments
BE006	Can the Parish Council lease space on the new (low cost) low-earth orbit satellites run by Indian/orbex/03b/er to provide super fast broadband speeds without wires/cables.	Propose we pass this to Paul Vann at BBC to follow up	Graham Read	Paul Vann has confirmed the work is in hand to the ducting from Oakley to the new cabinet, current go live for SF broadband is now end of September
BE013	Silver Street is far too busy. We need more mirrors, lights etc to help the amount of traffic and keep them at the speed limit. i.e. speed cameras, especially toward the outskirts of the village.	Perhaps a PC led village traffic & roads consultation and village vote on how they want the PC to pursue the various traffic and parking issues.	Graham Read	We have approached Bedford Mayor Dave Hodgson with a request to provide an update on traffic issues and how updates can be made to the village on a regular basis, we will confirm an update as soon as it is received - July 2015 Passed to Andrew Prigmore @ BBC to provide additional detail - July 2015
CB043	Sort out the Red Lion	Continue to follow up with the owner of the Red Lion and keep the village updated on progress and on what can be done by whom.	Paul O'Flynn	A new planning application has been submitted by the owner of the Red Lion, this can be viewed on the Bedford Borough Council planning website (link in red above), planning reference is 15/01325/FUL

CB045	In addition to my comments on the attached Questionnaire, I consider it important that the Parish Council Develops a Conservation Policy for the Countryside within the Parish and if the suggestion is pursued I would be willing to assist and include the Natural History Study Group	Support the development of a draft Stevington Conservation Policy in consultation with relevant authorities. Consider inclusion (or reference) in Neighbourhood Plan.	Graham Read	We have approached BBC for advice on how a Conservation Policy for Stevington may be created and implemented, we will advise back once we have an agreed approach - July 2015
CB046a	There has to be some development of housing to facilitate the development of other resources. For example XXX would like to see the development of the Red Lion to include fully accessible room for community use which could include the village shop.	Continue to follow up with the owner of the Red Lion and keep the village updated on progress and on what can be done by whom.	Paul O'Flynn	A new planning application has been submitted by the owner of the Red Lion, this can be viewed on the Bedford Borough Council planning website (link in red above), planning reference is 15/01325/FUL
CB049a	Owner of Red Lion should be made to tidy area. This is right in the centre of our lovely village and will soon be a wreck.	Continue to follow up with the owner of the Red Lion and keep the village updated on progress and on what can be done by whom.	Paul O'Flynn	A new planning application has been submitted by the owner of the Red Lion, this can be viewed on the Bedford Borough Council planning website (link in red above), planning reference is 15/01325/FUL
CO 30	The Red Lion Need to understand owners intentions & what planning would feasibly allow & decide on the best of available options so that it doesn't fall into further disrepair.	Continue to follow up with the owner of the Red Lion and keep the village updated on progress and on what can be done by whom.	Paul O'Flynn	A new planning application has been submitted by the owner of the Red Lion, this can be viewed on the Bedford Borough Council planning website (link in red above), planning reference is 15/01325/FUL

CO 35b	Could the Red Lion car park be used for customer parking instead of road outside residential properties.	Continue to follow up with the owner of the Red Lion and keep the village updated on progress and on what can be done by whom.	Paul O'Flynn	A new planning application has been submitted by the owner of the Red Lion, this can be viewed on the Bedford Borough Council planning website (link in red above), planning reference is 15/01325/FUL
CO 36	Could the Red Lion car park be used for customer parking instead of road outside residential properties. Repeated because of subsequent comment from a different person Good Idea	Continue to follow up with the owner of the Red Lion and keep the village updated on progress and on what can be done by whom.	Paul O'Flynn	A new planning application has been submitted by the owner of the Red Lion, this can be viewed on the Bedford Borough Council planning website (link in red above), planning reference is 15/01325/FUL
CO 37	Red Lion Can't the owner be given a hurry up!	Continue to follow up with the owner of the Red Lion and keep the village updated on progress and on what can be done by whom.	Paul O'Flynn	A new planning application has been submitted by the owner of the Red Lion, this can be viewed on the Bedford Borough Council planning website (link in red above), planning reference is 15/01325/FUL
CO 38	I applaud the PC for protecting the Red Lion from 'unsuitable' development. We may be in a position to negotiate something to enhance the village.	Continue to follow up with the owner of the Red Lion and keep the village updated on progress and on what can be done by whom.	Paul O'Flynn	A new planning application has been submitted by the owner of the Red Lion, this can be viewed on the Bedford Borough Council planning website (link in red above), planning reference is 15/01325/FUL

CO 39	Can the owner of the Red Lion site not made to tidy it up at least?	Continue to follow up with the owner of the Red Lion and keep the village updated on progress and on what can be done by whom.	Paul O'Flynn	A new planning application has been submitted by the owner of the Red Lion, this can be viewed on the Bedford Borough Council planning website (link in red above), planning reference is 15/01325/FUL
CO 40	Convert R. George to residential & re open Red Lion as Gastro Pub/Community Centre	Continue to follow up with the owner of the Red Lion and keep the village updated on progress and on what can be done by whom.	Paul O'Flynn	A new planning application has been submitted by the owner of the Red Lion, this can be viewed on the Bedford Borough Council planning website (link in red above), planning reference is 15/01325/FUL
CO 43	The owner of the Red Lion needs to state his intentions in conjunction with the Parish Council. It is taking a long time.	Continue to follow up with the owner of the Red Lion and keep the village updated on progress and on what can be done by whom.	Paul O'Flynn	A new planning application has been submitted by the owner of the Red Lion, this can be viewed on the Bedford Borough Council planning website (link in red above), planning reference is 15/01325/FUL
CO 44	Demolish Red Lion? Use the site for sheltered accommodation	Continue to follow up with the owner of the Red Lion and keep the village updated on progress and on what can be done by whom.	Paul O'Flynn	A new planning application has been submitted by the owner of the Red Lion, this can be viewed on the Bedford Borough Council planning website (link in red above), planning reference is 15/01325/FUL

CO 45	The Red Lion is a privately owned property. If we are belligerent about plans for its repair & development nothing will happen. We need to propose an acceptable compromise to the owner if we want something to happen.	Continue to follow up with the owner of the Red Lion and keep the village updated on progress and on what can be done by whom.	Paul O'Flynn	A new planning application has been submitted by the owner of the Red Lion, this can be viewed on the Bedford Borough Council planning website (link in red above), planning reference is 15/01325/FUL
CO 47	Blanket objections to any proposal for the Red Lion have led to the current situation. People need to take responsibility and be more measured in their responses to applications otherwise the 'stalemate' will continue until it falls down then someone will build new homes.	Continue to follow up with the owner of the Red Lion and keep the village updated on progress and on what can be done by whom.	Paul O'Flynn	A new planning application has been submitted by the owner of the Red Lion, this can be viewed on the Bedford Borough Council planning website (link in red above), planning reference is 15/01325/FUL

FF025	#4 Tidy up the Cross area	It's not clear on the intent of the person making the comment. I think this might relate to the Red Lion, the signs on the cross, parked cars on the footpath; but it may relate to other things. Suggest these things are picked up against the other comments unless further feedback is provided.		This issue has been raised to BBC, we will publish an update here as soon as it is received - July 2015

FF036	#10 In particular interested in Red Lion site, if demolished the cross takes over as the central point of interest. View down Church Road enhances the whole area. 4 to 6 cottage style properties (like Bromham green) could sit well back, green areas to front and cars in designated spaces in pub car park to right of site. It could look very attractive	Continue to follow up with the owner of the Red Lion and keep the village updated on progress and on what can be done by whom. GS 19	<p>Why take Stevington out of the catchment for Sharnbrook School? The value of property will soon reflect this change</p>	<p>Raised to Dave Hodgson, Mayor of Bedford - response received 07/08/15, summary updated</p>		<p>Sharnbrook Upper School is part of the Sharnbrook Academy Federation. Academies act as the school's own admissions authority, so they can set their own catchment areas and feeder schools. They do have to follow formal procedures including consultation before changes are made. The DfE website refers to a Schools Adjudicator to whom objections to a school's admission arrangements can be referred: https://www.gov.uk/schools-adjudicator-make-an-objection-appeal-or-referral#objections-to-and-referrals-about-determined-school-admission-arrangements</p>
GS 23	<p>Why the Green Space designation proposal at AA? What is the process of consulting with landowners?</p>	<p>An explanation was provided to the person who made this comment. Green Spaces are allowed to be proposed by anyone. Bedford Borough Council Planning department review proposals against laid down criteria and Planning Inspectors review the Borough Council's proposals before a final decision is reached.</p>	Graham Read	None required
